SALALAH

Salalah is the second largest city of Sultanate of Oman

It has a state of the art airport and the country's largest commercial sea port. Salalah is the birth place of the famous frankincense trade route that has crossed the Asian continent for centuries. Salalah is also known for its beautiful mountains, tropical plantations, magnificent sandy beaches and rich sea life which you can experience year round. During the Kharif season, hundreds of thousands of visitors come and enjoy its natural fresh water
